Size	Internal - 1m (h) x 2m (w) External - 3m (h) x 7m (w) x 1m (d)
Artwork fabrication cost	\$41,293
Completion date	2007
Photos by	Bottlebrush Studios

Artwork statement

Body dynamics are explored in the abstracted figures within the arcs of the art work. The shapes illustrate running, jumping, diving, goal-scoring and reaching out. The use of overlapping elements further emphasises these dynamics. Movement and activity are created by the use of the dynamic shapes between the figures as they emphasise movement to and from. These shapes also create an energy within the work with their sense of direction and angularity.
